VENDOR RULES FOR USE

1. Hours of Operation – Vendors may operate anytime between the hours of 9:00 a.m. and Midnight the same day.
2. Removal of Facilities – All of the vendor’s facilities shall be removed by 9:00 a.m. of the day after the expiration of the permit.
3. Litter and Debris – The vendor shall be responsible for keeping the area of operation in a neat and orderly condition at all times. All garbage, trash, litter and debris resulting from vendor operations will be properly disposed of by the vendor. The location will be left in the same or better condition as it was before the permit was issued.
4. Security – The City of Cascade is not responsible for the security of any vendor facilities, equipment, supplies, or other property left unattended by the vendor. All incidents of vandalism, theft, robbery, or other injury to persons or property should be reported immediately. The Cascade Police Department will perform routine security checks of the area after hours and during late night and early morning hours.
5. Temporary Facilities – In order to protect the health and safety of the general public, construction of temporary facilities including buildings and signs is discouraged. If the vendor’s operation necessitates the use of temporary facilities which are regulated by the Building Code, plans for construction shall be submitted to the City Building Official for approval prior to the vendor permit being issued.
6. Generators – Due to the close proximity of other downtown businesses including offices, restaurants, and hotels, the use of gas powered generators to produce electricity is prohibited.
7. Hold Harmless – The vendor shall hold the City of Cascade harmless of and from any and all liability, cost, and damage arising from the vendor’s business operation, including court costs and attorney’s fees.
8. Fees – All fees must be paid in advance. A full refund will be given if the issuance of a vendor’s permit is denied. A full refund of Special Event Fees will be given if notice of cancellation is received no less than 30 days prior to the event.
