

ADOPT-A-TREE-BOX PROGRAM 2019 APPLICATION

PROGRAM DETAILS

The City of Cascade invites you participate in the 2019 Adopt A Tree Box Program. Individuals, families, organizations, businesses and other groups may sign up to “adopt” a tree box located along Main Street. Businesses will be given priority to adopt the tree box closest to their store or office.

Starter kit containing a list of recommended plants and name card will be provided for each adopted tree box. Adopters will provide care and maintenance until October by adding plants and creative touches, and by removing weeds and debris. The City will water the tree boxes.

Name cards will be displayed at the tree box this year, along with recognition on the city’s website and Facebook page of all participants. Adopting a tree box is an excellent way to show your community pride and will help keep Cascade beautiful. Interested persons should sign up before May 3, 2019. Registration forms are available on the Cascade website and at City Hall.

Early-bird registration party will be hosted by the City in March, 2019, additional information to follow.

For questions or more information contact Heather at clerk@cascadeid.us.
