

**CITY OF CASCADE
PUBLIC NOTICE**

Due to health and safety concerns associated with the Covid-19 virus, effective immediately the City of Cascade has cancelled currently scheduled public meetings on City business through the end of March. The situation for meetings in April will be assessed as further developments occur.

Any agenda items or legally noticed items set for a meeting in March are hereby continued to the first available meeting of that City body in April. The City Council public hearings on the land use applications for the River District are continued from March 23 to the April 13 regular Council meeting.
