NEW BUSINESS ACTION ITEMS

AB 20-85 (action item) Resolution No. 20-12 Second Amendment Sanctuary

Discussion led by Council member Denise Tangen outlining that the second amendment sanctuary city resolution was a message to Idaho legislators as a show of support for the second amendment. Denise generated a petition and had collected 60 signatures in support.

Council member Rachel Huckaby expressed her concerns, giving the Sheriff's department "sound discretion to not enforce against any citizen any unconstitutional laws". Council member Huckaby feels that it is not up to the Sheriff's department to decide what may be considered unconstitutional and then act in opposition to a State law. She further reiterated that the resolution is superfluous giving the reason that each Council member swore an oath to uphold both the Constitution of the United States and the State of Idaho.
