

Cascade Airport Advisory Committee Meeting Minutes

Date: 9 September 2021

Time: 7:07PM

Location: Cascade Airport FBO

Present: Rob Terry, Ryan Campbell, Ray Arnold, Mike Arnold, Tobie Olson, Kelly Perryman (prospective hangar builder), Lisa Holder (representing Eric Nelson, prospective hangar builder)

1. 3 new hangars have been approved in previous meetings, one of which is currently under construction. We now have two additional interested builders: Eric Nelson and Kelly Perryman. Rob explained the late-comers agreement where they'll need to pay \$35k per hangar. They will also need to pay utility hook up fees to the city. After AAC approval, they are only locked-in on their hangar once they have entered into a lease agreement with the city for the ground, and then they may only build after getting a building permit from the city. Tobie made motion to approve 2 separate hangars approximately 60'x65', where Eric builds on lot 1511 and Kelly builds on lot 1513 based off of the map on Exhibit A (see below). Ryan seconded motion. All in favor.
2. Ray Arnold to resign as airport manager at the end of this month. We are waiting to hear from the city on how a new manager is to be appointed.
3. Ryan made motion to adjourn at 7:42PM. Tobie seconded. All in favor.
