3rd Mondays monthly  
When 6:15pm  
Where City Hall via Zoom

### Water and Sewer Rate Increase Effective 10/01/20

Your November 2020 bill will reflect this rate increase.

Water Services	From	To	+ or -
Water use	\$ 7.50	\$ 7.50	\$ .00
Water base	\$14.63	\$15.67	\$1.04
Water Improvement	\$23.97	\$23.14	<u>\$.83</u>
<b>Increase in water services of</b>			<b>\$ .21</b>

Sewer Services	From	To	+ or -
Sewer base	\$22.11	\$22.92	\$ .81
Sewer Improvement 1	\$ 2.83	\$ 2.86	\$ .03
Sewer Improvement 2	\$ 8.36	\$ 8.52	<u>\$.16</u>
<b>Increase in sewer services of</b>			<b>\$1.00</b>

**Your water bill will increase from \$79.40 to \$80.61.**

*Example based on 3/4-1" pipe. Larger pipe sizes will be adjusted accordingly.*

The water use rate includes your first 7,000 gallons and the charge per gallon beyond the 7,000 gallons will continue to be billed at \$0.0075 per gallon or an additional \$7.50 per thousand gallons.

### Planning and Zoning

The City of Cascade has a position open on the Planning and Zoning Committee for interested individuals that meet the following requirements.

- Full time resident of the City of Cascade
- Minimum three years residency.

If you are interested, please submit a letter of interest to:  
clerk@cascadeid.us

or mail to

City Hall P.O. Box 649 Cascade, ID 83611

### Monthly Water Testing Results

**Collection Date:**  
**Collection Times:**  
8/4/20 8:13 and 8:35 a.m.

**Results**  
In compliance.  
No exceedences.

### Learn from Leaves

Green is go.  
Yellow and Red,  
slow down and stop;  
take time to rest.

Please, **BE WATER WISE**

**Need your water turned off for the season?**

Give us 48 hours notice.

208-382-4279 or email [deputyclerk@cascadeid.us](mailto:deputyclerk@cascadeid.us).

**Leak Water Loss Guide (Water Loss in Gallons at 50 PSI)**

Leak this Size	Loss per Day	Loss per Month	Loss per Year
●	120	3,600	43,200
●	360	10,800	129,600
●	693	20,790	249,480
●	1,200	36,000	432,000
●	1,920	57,600	691,200
●	3,096	92,880	1,114,560
●	4,296	128,880	1,546,560
●	6,640	199,200	2,390,400
●	6,984	209,520	2,514,240

**Don't Forget**

Disconnect hoses from bibs. Drip Faucets. Wrap pipes where you can. Do not "run" toilets.

**IS YOUR YARD WINTER READY?**

**For your lawns**

There are a few tips you should follow when preparing your lawn for winter. Mow grass to a height of 2-1/2 inches and leave clippings on the **lawn**. This simple step returns at least 25% of the turf's nitrogen back to the soil. Lawns should be put to bed over **winter** at the same height they are maintained over summer.

**For your garden beds**

Great mulches for winter include bark chips, shredded bark, straw, evergreen boughs and other loose, coarse-textured organic materials.

The good news is that the right mulch applied in winter can help maintain a steady soil temperature, thereby protecting plants from temperature extremes. That's because winter mulch acts as an insulating blanket that provides a protective barrier between the soil and the air.

Or just till up the garden beds so that you can send nutrients back into the soil and mix everything together so that once snow or cold weather freezes the ground you'll lock those nutrients **in** and help the soil get ready to feed your plants come planting season.

**I am not a trash can!**

Non-flush items like masks, cleaning cloths, wipes and diapers cause wear and tear to a lift station pump and are time consuming to remove. **KEEP COSTS DOWN**, don't flush disposables, only toilet paper.

**XPRESS BILL PAY**

**Stop paying late fees.**

Give us a call, we'll set it up for you in a matter of minutes.
