Please, **BE WATER WISE**

The real reason a dripping faucet can help prevent pipes from bursting is that the constant drip relieves pressure that is building up in the pipes between the ice blockage and the faucet, and helps to prevent them from bursting when the pipes begin to thaw.

ROADS - Parking

The City of Cascade would like to remind you to keep the streets clear for snow removal operations.

Cascade City Code (7-2-2) limits parking of motor vehicles on any street or alley within the City for a period of no longer than two (2) hours.

The City of Cascade appreciates your cooperation in helping keep our streets safe and clear of snow.

Thank you!
