### Building Inspector and City Code Enforcement

Darryl Shepard

### April 11, 2022 Public Meeting at City Hall

The results of the City of Cascade Water Study will be presented by the City Engineers and open for questions.

### SPRING IS HERE Learn Before You Burn

To burn within the city limits, you must have a burn permit issued by the Cascade Rural Fire District. 208-382-3200.

NO BURNING is allowed May 10th thru October 20th.

Burn piles of vegetative yard debris should be no more than 3' in circumference.

Be considerate of your neighbors, pay attention to wind direction. Have a hose handy.

### DUMPSTER DAYS are approaching!

May 28 thru June 8, 2022.  
Vegetative yard debris only.  
No plastic bags.

A single dumpster will be located in the parking lot across from the fire station at Pine and Front St.

If the dumpster is full, and it is between 9 am and 4 pm, a new dumpster is likely on route.

Do not leave bags or piles of yard debris.

### Carefulness Costs You Nothing

### COVID-19 INFO

coronavirus.idaho.gov  
See yellow shaded box

In person with social distancing & digitally via ZOOM.

### City Council Meets

2nd and 4th Mondays monthly  
When 6:00pm  
Where City Hall via Zoom

The Cascade Public Library is temporarily closed. In the interim, if you have library books or equipment to return please hang onto them. Currently there is no place to house these books. Library personnel will keep the community informed. *Stay tuned.*

Please, **BE WATER WISE**

### WATER STUDY RESULTS

The City recently completed a draft capital facility plan for the drinking water distribution system. The facility plan details the existing condition of the system, identifies current needs, projects future conditions, and provides detailed recommendations for improvements. System performance was evaluated according to service requirements (pressure, flow, etc.) set by the Idaho Department of Environmental Quality. The purpose of the plan is to identify how drinking water can be served at the most economical price while meeting the service requirements. Well capacity, water pressure, and fire flow capacity are some of the criteria that were considered. Just over \$3.3 million of projects were identified, including:

- \$1.87 million of pipeline upgrades
- \$179,800 for service connection upgrades
- \$139,000 for new fire hydrants to improve coverage
- \$334,900 for new meters
- \$810,400 for a new drinking water well

Facility plan findings will be presented at the April 11, 2022 City council meeting and public participation is invited.

### EARTH DAY

April 22nd

Get your morning walk in and make a difference! Join us from 9:00 to 10:00 am at City Hall for a downtown trash pickup.

Road Grading will happen soon, weather dependent.

### Stats and Stuff

2021 YTD (04/01)	building permit apps	8
2022 YTD (04/01)	building permit apps	7

12.5% ↓

### Stay Safe All Year

**Combustible gas detectors** are used in residential and work places that use combustible gas. They detect the location of any leakage, and measure gas concentrations.

Want to keep up to date on Perpetua Resources (previously Midas Gold)? <https://perpetuaresources.com/>

### XPRESS BILL PAY AutoPay

Stop paying late fees.  
Stop paying convenience charges.

### Mayor's Monthly Coffee Klatch

April 13, 2022 at 9:00 to 9:30 am

Bring your coffee to City Hall and chat with Mayor Nissula who will keep you updated on active and planned city projects.

### Projects In the Works for 2022

Exercise stations on Strand.

New sidewalk - between courthouse to Howdy's is in the design phase.

Auto-read water meters for year round meter reads. \*

Front street project for stormwater repair and re-paving. \*

Flashing beacon & pedestrian crosswalk at Pine St./Hwy \*

\* These projects are the result of successful grant applications and are pending award of funding.
