Coming Soon to Your Neighborhood

As part of the City of Cascade water system upgrades, new radio read water meters will be installed at all service locations over the next few months.

Your water service will be interrupted for 10-20 minutes while the installation occurs. Public Works staff will do their best to knock on your door and give you a heads up when they are ready to install at your home.

Installation for commercial locations will be performed prior to or after your business hours.

Getting Ready for Winter

On August 15th the “start to prep for winter “ mindset takes hold. The wood’s in, you plant bulbs in fall, you make plans to put the garden to bed, you clean out gutters and chimney’s, and think a lot about heat tape.

Get at it. Stay at it. Be prepared.
