NEW BUSINESS

AB 24-149 Adopt proposed FY 2024/2025 budget for publication (Action Item)

Streets in particular, we added a line for charges, for services – street fund, LOT fund, etc., that was the biggest change to bring streets into Balance. Water & Sewer had a missing multiplier, once that was fixed – we balance. Raising water base 5% and lowering water imp \$0.72 (lowering 20% of base rate). Sewer base same, but raised 10% on sewer imp. Consumption is the same as budgeted for last year. Council member Huckaby still thinks we need to raise rate for sewer. Base goes up, improvement goes down. Remove collection for motor vehicle fines.

Motion by: Ron Brown, approve the FY 2025 budget for publication with the change of taking motor vehicle off and making necessary changes.

Seconded by: Rachel Huckaby
