~ CITY OF CASCADE RECEIVES AWARD ~

"...our community engagement process that has resulted in building new trails, improving our parks, creating a bike share program, constructing new sidewalks, and having both an aquatic center and white water park. We are currently raising our comprehensive plan through the lens of aging in place as well as trying to meet the needs of ALICE families..."
Judith Nissula, Mayor

The inaugural award was presented at the Association of Idaho Cities annual conference on June 20 and includes a \$5,000 grant to the City of Cascade to use on community health and/or park projects that encourage residents to be healthy and active.

Steve Dent of KIVI 's Idaho Backroads reported on parks and recreation opportunities in the City of Cascade.

LIBRARY FUNDRAISER

The fundraising on 6/22 was a success! The library sold \$376 in raffle tickets benefiting the Cascade Chamber and received \$191.00 in donations for the sale of books and DVDs

Thank You!

MAKE SAFETY THIS HOLIDAY YOUR FIRST PRIORITY...

Keep a supply of water close by as a precaution. Make sure the person lighting fireworks always wears eye protection. Light only one firework at a time and never attempt to relight "a dud." Store fireworks in a cool, dry place away from children and pets.

*American patriotism,
even on the Fourth of July,
should be known more by its
works than by its fireworks.*

Have you witnessed a violation of City Code?

Dogs - Feeding Wildlife - Traffic

Contact the Valley County Sheriff's
Office, Non-Emergency Dispatch
Line at 208-382-5160

The code infringement must be witnessed by the code enforcement officer in order to issue a citation. OR the citizen raising the complaint will be asked to sign the citation.

Welcome Home!

1. Senior Snowbirds: These seasoned travelers, often retirees, choose to escape chilly winter winds by migrating south to sunnier destinations. They split their time between two homes, *enjoying the best of both worlds.*

Please, **BE WATER WISE**

~ **CONSERVE and PROTECT** ~

*If we all do our part in saving precious water supplies,
it can make a huge difference
for the environment and our aquifers.*

Toilets

Flushable and bio-degradable are not the same thing.
DO NOT flush cleaning wipes, paper towels or napkins.

Drains

Keep our waste water system running easy peasy; no
greasy items down the drains please.

**Bats are good.
Rabies isn't.**

CDH.Idaho.gov

The purpose of this health campaign is to educate people in Valley County on what to do if they come into contact with a bat and what they can do to stay safe. We also want to educate homeowners on how to inform their guests (either personal or vacation renters) about rabies and how to stay safe if they come into contact with a bat.

Monthly Water Testing Results

Public utilities are required by law to take many expensive samples each month. They also must pay the employees that run them, as well as cover administrative costs.

The City of Cascade tests drinking water based on requirements specific to our permit. The testing locations are dictated by Idaho DEQ based on our water distribution system. Water testing occurs in areas with close proximity to our gravity fed tanks and end of the line locations.
