AARP Recognizes the City of Cascade

The December, 2024 issue of the AARP Bulletin spotlighted *"Idaho and four projects that received AARP Community Challenge grant funding across the state. These funds were for "quick-action projects". The City of Cascade received \$6,000 to add benches to a two (2) mile recreation trail"* The benches have been purchased by the City and customized placques added to them. They will be placed along the Strand path in the Spring.

Thank You, AARP!

Have a healthy New Year!

Please, **BE WATER WISE**

The real reason a dripping faucet can help prevent pipes from bursting is that the constant drip relieves pressure that is building up in the pipes between the ice blockage and the faucet, and helps to prevent them from bursting when the pipes begin to thaw.

WINTER PARKING, SNOW and SLUSH REMOVAL

ROADS - Parking

The City of Cascade would like to remind you to keep the streets clear for snow removal operations.

Cascade City Code (7-1)

limits parking of motor vehicles on any street or alley within the City for a period of no longer than two 2 hrs.

SNOW / SLUSH -and MUD REMOVAL

Cascade City Code (5-7-1)

It is the responsibility of the Owners/Occupants of businesses fronting Main St. to remove snow, slush and mud from the sidewalks within 24 hours of occurrence.

Snow and Bermed Driveways

On 2/12/2016 this topic was discussed at a City Council Meeting and it was determined that to plow every driveway would not be feasible due to limited staff, budget constraints and fairness to tax payers.

Mayor's Monthly Coffee Klatch January 15, 2024 at 9:00 to 9:30 am

Bring your coffee to City Hall and chat with Mayor Nissula who will keep you updated on active and planned city projects.
