Volume VII April 2026

*Cascade was founded on strong American values,
Community, Service, and Pride
Those values are still alive and shining today.
As we celebrate America250, the 250th
anniversary of the United States in 2026,
we're also celebrating our town, our people, and
everything Cascade stands for!*

FIREWISE USA®
Residents Reducing Wildfire Risks

Projects that reduce wildfire risk and increase preparedness can be accomplished by people of all ages with a variety of time commitments. You might be asking, "What can I do in a single day to help stay safer from wildfire?" **The answer is - a lot!**

Rake a remove pine needles and dry leaves to a minimum of 5 feet from a home's foundation. Over time, continue up to a 30-foot distance around the home. Dispose of collected debris in appropriate trash receptables.

Sweep porches and decks, clearing them of leaves and pine needles. Rake under decks, porches, sheds, and play structures.

CASCADE BEAUTIFICATION DAY APRIL 18th

~ What a Difference an Hour Makes ~

Meet up at the Cascade Cultural Arts Center at 9:00 am
Join us in cleaning up the city corridor. We'll provide gloves, trash bags and grabbers. After clean up meet back at the CCAC for ice

*We all have preferences. I love
spring anywhere, but if I could
choose I would always greet it
in a garden.*

INSIDE YOUR HOME

- Wash vegetables in a bowl, not under running water.
- Do not wash dishes by hand, save 24 gallons by using a dishwasher.
- Run only full loads. Buy Energy Star appliances; use 30% less water.
- Live in an older home? Install aerators on your faucets.
- Install drip irrigation and hose timers.
- Use a bucket and sponge to wash your car

Mayor's Monthly Coffee Klatch April 15, 2026 at 9:00 to 9:30 am

Bring your coffee to City Hall and chat with Mayor Nissula who will keep you updated on active and planned city projects.

Monthly Water Testing Results

Public utilities are required by law to take many expensive samples each month. They also must pay the employees that run them, as well as cover administrative costs.

The City of Cascade tests drinking water based on requirements specific to our permit. The testing locations are dictated by Idaho DEQ based on our water distribution system. Water testing occurs in areas with close proximity to our gravity fed tanks and end of the line locations.

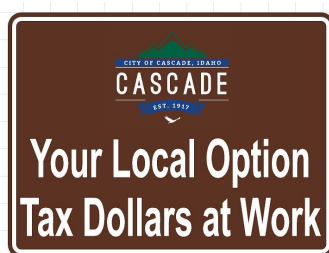

Collection Date and Collection Times:
03/04/26 at 8:26 am, 8:39 am

Results:
In compliance.
No exceedances.

Parking Regulations

To maintain safety and allow city and emergency personnel access to properly maintain city streets; no parking is allowed in a city right of way (ROW) with the exception of a 2-hour window. Storing your vehicle, cleaning, or performing maintenance on your car in the city ROW is prohibited. *City Code 7-2-2(A)*

Be familiar with the location of your property pins. Be aware that City right of way extends beyond the visible road bed. A good rule of thumb would be to park well within your property lines.
